# About PARCC/NJSLA Results

The state defines proficiency as the percentage of students who scored a Level 4 or 5 (Met or Exceeded Expectations) on the PARCC/NJSLA assessment. PARCC/NJSLA assessments are scored on a scale of 1 to 5. Students performing at levels 4 and 5 have demonstrated readiness for the next grade level/course and, ultimately, are on track for college and careers.

# Plans for Improvement

# Districtwide

- Develop and Implement a Multi-Tiered System of Supports (MTSS)
  - Allows for a “rapid response” for intervention needs
- With ESSER Funds: Adopt Core Programming Districtwide
  - Developing a common language of instruction, support, and achievement
- Leverage data platforms to inform instruction and meet the needs of students
  - Universal Screening to identify at-risk academic results
- Align professional learning to evidence-based instructional practices via John Hattie’s Visible Learning
- Reduce extraneous paperwork so teachers can focus on planning and instruction.
- Watch our early childhood grades remembering those students also had a huge life disruption.

# Mathematics

- Adopt a math program throughout the entire district
  - iReady Mathematics
  - “All Green” ratings from [www.edreports.org](http://www.edreports.org)
  - The program has an adaptive practice module for students to build up to grade level expectations.
- Formalize a flexible BSI support system
  - Adopt and implement the Bridges Math Intervention Curriculum to supplement the iReady differentiation supports.
  - Flexible entry and exit philosophy where ALL students get additional support in a least restrictive environment.

# ELA

- Adopt and implement a districtwide ELA core program
  - American Reading Company
    - All Green via [www.edreports.org](http://www.edreports.org)
    - Structured Phonics, knowledge building, engaging authentic texts
- Adopt and implement a districtwide ELA supplemental resource
  - SmartyAnts - Phonics support
  - Achieve3000 - Increase text complexity over time
- Adopting research-based BSI support materials
  - Multi-sensory language learning support
  - Flexible scheduling so ALL students can benefit from needed support in a timely manner
